

## Document List – Public

The following is a list of available documents published by Textile Exchange. The *Availability* types are defined as follows:

**Website** – Documents that are available through public links on the [Textile Exchange website](#). The associated URL can be accessed by clicking on the *Title* of the document.

NOTE: Clicking on the Title of a document with an Availability of “Website” will open the ‘landing page’ (i.e. the document’s entry page) for the document within our [Knowledge Center](#).

**Public on Request** – Documents that are available upon request only and are therefore not available through a public link. Please contact [assurance@textileexchange.org](mailto:assurance@textileexchange.org) to request a copy of these documents, or of previously retired versions of the documents listed.

NOTE: Clicking on the *Title* of a document with an *Availability* of “Public on Request” will open a new email composition window to contact [assurance@textileexchange.org](mailto:assurance@textileexchange.org).
