## A. About the document

The following is a log of banned entities by Textile Exchange.

Entities listed in Section 1 have been banned from becoming certified to or licensed for Textile Exchange standards. Please refer to the “expiry” and “status” columns for more details related to each ban. Bans are issued in cases where there is a gross violation of requirements or fraudulent activity by either certified or non-certified organizations, and/or by non-licensed entities, and may be issued in other cases where other risks are identified by Textile Exchange.

Entities listed in Section 2 are for farms that have received an automatic 180-day ban from RDS, RWS, RMS, or RAS certification due to critical non-conformities. Only the TE-ID of these farms has been provided for confidentiality purposes.

### A1. Document references

Exemptions apply to current normative documents, or to documents which are currently being phased out (see Section 3). An exemption only applies to the applicable version of a document, where it is specified within the **reference** section of the exemption.

### A2. Document definitions

Refer to the [Textile Exchange glossary](#) for definitions of terms used in this document.

**NOTE:** Please note that *[TE-101 Terms and Definitions for Textile Exchange Standards and Related Documents](#)* will not be updated going forward and will become obsolete (i.e., retired) alongside the mandatory implementation date of the *Materials Matter Standard* (TE-MM-STN-101). The Textile Exchange Glossary takes precedence in case of any contradiction or omission.
